19. All application fees are non-refundable.
20. All refund requests must be made in writing and accompanied by supporting documentation.
21. Definition: 'enrolment' means the full period of study as submitted on the application. 'Commencement date' means the commencement of enrolment in the original letter of offer. When multiple offer letters are issued the earliest commencement date is used and all course components contained within those offers constitute the full enrolment.
22. Once the refund request is approved, the refund will be made within 20 working days from the date of approval by electronic funds transfer to a bank account nominated by the student or as reverse payment to the credit card from which the payment was processed. Bank transfer fees will be deducted.
23. As prescribed in section 47E of the ESOS Act, Level Up English will refund fees in full less AU\$500 or 5 percent of the pre-paid tuition fee (whichever is the lesser) if your student visa application is rejected or a student visa renewal is refused prior to starting a course. Written refusal request and proof of visa refusal from the Australian Government must be sent to Level Up English upon visa refusal. In this case, the refund will be made within 14 days.
